

Cyber Webinar: Gallagher Cyber Defence Centre

Your organisation's cyber threat defence team

Join us for our Cyber Defence webinar on Thursday, 23 November 2023 at 10 a.m.

Cyber risk remains a top tier threat for organisations of any size or sector and demands an 'always-on' approach to cybersecurity. To help our clients achieve this, we have created the Gallagher Cyber Defence Centre – an ongoing package of support, available as an annual service.

In this webinar, we explain how the tools and services from the Cyber Defence Centre can help you defend your organisation against cyber incidents.

Our cyber risk specialists will discuss:

- How the different elements of this service can help you guard against specific threats.
- The seen and unseen threats in today's cyber risk landscape.
- The role that defensive security can play in your organisation.
- How continual vulnerability scanning can identify real-time threats.
- How it has already benefited over 250 of our clients.

Gallagher Cyber Defence Centre includes continuous access to cyber risk specialists and the latest security technology to help you proactively manage your cyber risk.
